PURPOSE

The purpose of this Policy is to establish a framework for how the closed circuit television (CCTV) cameras managed by Council will be operated.

SCOPE

This Policy applies to all CCTV systems managed by Council within the Georges River LGA. Together the CCTV systems operated by Council are known as the CCTV Program.

The CCTV Program incorporates cameras used in three distinct categories:

- Asset protection: for protection of Council's assets
- Public safety: as part of an integrated community safety strategy aimed at protecting persons
- Illegal dumping: for the protection of the natural environment in Council's area.

POLICY STATEMENT

1. Objectives

The objectives of the CCTV Program are determined based on the three categories of the CCTV systems:

1.1. Asset Protection:

- 1.1.1. Reduce the level of crime against Council's assets by deterring potential offenders.
- 1.1.2. Assist Police in the detection and prosecution of offenders.

1.2. Public Space:

- 1.2.1. Reduce the level of crime in Council's public spaces by deterring potential offenders.
- 1.2.2. Assist Police in the detection and prosecution of offenders in Council's public spaces.
- 1.2.3. Reduce the level of the community's fear of crime in public spaces.

1.3. Illegal Dumping:

- 1.3.1. Reduce the level of illegal dumping in Council's public spaces by deterring potential offenders.
- 1.3.2. Assist Police in the detection and prosecution of illegal dumping offenders in Council's public spaces.

2. Public Interest

- 2.1. All CCTV system operations will be conducted in accordance with the law and in a way that balances individuals' rights to protection and privacy.
- 2.2. Where Public Space CCTV systems are in operation, signs will be displayed at all entrance points to the area in question.
- 2.3. CCTV systems will be positioned and operated to minimise the recording of private space.

3. Accountability

- 3.1. Council will ensure the security, integrity and efficiency of all CCTV material captured.
- 3.2. Prior to the installation of any CCTV, Council will undertake an evaluation to determine if CCTV is an effective strategy to respond to identified issues.
- 3.3. Council's CCTV operations will undergo a bi-annual compliance audit. The aim of which is to provide an independent assurance that the images being viewed and recorded are appropriate and in compliance with the purpose of this Policy.
- 3.4. Council will monitor the CCTV Program to determine whether it is meeting the objectives outlined in this Policy.

4. Recording of and Access to CCTV Material

- 4.1. All staff and contractors employed by Council who will have access to material captured through Council's CCTV systems must be suitability qualified.
- 4.2. Appropriate measures will be implemented to protect against unauthorised access to, alteration, disclosure, loss, or destruction of recorded material.
- 4.3. CCTV material will be accessed in accordance with the privacy conditions of relevant legislation and only in the following circumstances:
 - 4.3.1. At the request of Police in connection with the investigation of a crime
 - 4.3.2. If necessary for the purposes of legal proceedings as ordered by a court of law;

- 4.3.3. To investigate illegal dumping incidents and take action against offenders in accordance with the Protection of the Environment Operations Act (1997);
- 4.3.4. If authorised through Council's Workplace Surveillance Policy (2017);
- 4.3.5. In any exceptional circumstance, with the written approval of the General Manager, in consideration of all applicable legislation, policies and regulations.
- 4.4. CCTV material will not be retained for more than 28 days unless required under section 4.3 of this Policy.
- 4.5. The procedures governing the access to and provision of material are described in Council's Georges River Council CCTV Operations Procedures.
- 4.6. Information regarding the CCTV Program will be made available to the public.
