

Stormwater Drainage Application

This application is not required for standard piped connection(s) to the street gutter. Please use a [Road Opening Permit](#) for the works across the footway.

Advisory notes

All plans and specifications must be provided to Council for assessment. Incomplete applications may be refused. Please refer to the Applicant Declaration on Page two for details. For further information, please refer to Council's Stormwater Water policy located on Council's website.

Application must be received a minimum of 6 weeks prior to the requested commencement date by email to mail@georgesriver.nsw.gov.au

Application fee must accompany application – refer to Schedule of Fees and Charges for details

For advice please contact Customer Service on (02) 9330 6400 (8.30am-5.00pm Monday to Friday)

Description of proposed drainage works:			
Will any trees require removal, pruning or root pruning for this application? Note: You may be required to provide an arborist report with respect to any proposed works or impacts on trees			<input type="checkbox"/> Yes <input type="checkbox"/> No

Fees and Charges

Application Fee \$470.00

Damage Deposit \$.... based on cost of works (to be determined by Council)

Estimated Cost of External Drainage Works

The estimated cost should be either a contract price or an estimate based on the current market value of the labour and materials needed to complete the works on Councils drainage system. Security Bond required is dependent on the cost of the works. If necessary, Council reserves the right to assess its own estimated cost for the purposes of security bond and fees. Inaccurate costs may delay processing of your application

Estimated cost of external Drainage works, including GST:

Owner Details

If the proposed drainage works extend into private property, please complete this section of the form.

Applicant Declaration

Design plans including a long section and specifications must be provided to Council to assess this application.

I confirm that the plans supplied:

- Include long sections and specifications of stormwater pipe and location.
- Include accurate location of underground services in reference to stormwater pipe location
- Include accurate location of above ground services and trees in reference to stormwater pipe location.

I agree that all information that I have supplied is true and accurate to the best of my knowledge. Failure to supply required information will result in applications being placed on hold, and assessment time will not commence until all required information has been received.
