

### **Resident Development Information Session**

The Development Advisory Team is hosting a free Resident Development Information Session.

The purpose of the session is to outline the range of services offered by the Development and Building Team and to explain the Development Application and Complying Development application processes.

The session will be used as an opportunity to educate residents about various development related topics (e.g. tree removal, drainage, heritage), process at Georges River Council and the NSW Planning Portal, and as an opportunity to obtain feedback from customers.

### **When is the Session?**

The Resident session will be held at 6pm on Thursday 14th March 2024.

### **Where is the Session?**

The session will be held in the Dragon Room in the Georges River Council Civic Centre, corner of MacMahon and Dora Streets, Hurstville.

### **How do I Register?**

Go to [Your Say Georges River \(nsw.gov.au\)](https://www.nsw.gov.au/your-say-georges-river) and search for Resident Development Information Session.
