

Map Category	Project Title	Description	Suburb	Ward	Lat	Long	Proposed Completion Date	Status	Hours of Work	Team	Further Information Link
Roads & Carparks	Road Rehabilitation Program - Rosa Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Oatley	Blakehurst	-33.9868	151.0813	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Hurstville Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Blakehurst	-33.9732	151.0934	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Letitia Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Oatley	Blakehurst	-33.9888	151.0788	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Terry Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kyle Bay	Blakehurst	-33.9875	151.0971	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Wyong Street (Cul de sac)	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Oatley	Blakehurst	-33.992	151.0756	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Laycock Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville Grove	Blakehurst	-33.9724	151.0947	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - West Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	South Hurstville	Blakehurst	-33.9767	151.1104	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Herbert Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Oatley	Blakehurst	-33.987574	151.079507	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Myerla Crescent (Cul de sac)	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Connells Point	Blakehurst	-33.9905	151.094	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Lansdowne Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Penshurst	Blakehurst	-33.972265	151.090346	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Princes Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Mortdale	Blakehurst	-33.9734	151.0843	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Mutual Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Mortdale	Mortdale	-33.967	151.0793	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Carruthers Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Penshurst	Mortdale	-33.962298	151.080835	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Mercer Crescent	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Beverly Hills	Mortdale	-33.9539	151.0734	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - The Avenue	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.967088	151.107761	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Wright Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.965924	151.109563	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Margaret Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kingsgrove	Hurstville	-33.94849	151.100089	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Forest Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.962442	151.112542	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Millett Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.955679	151.089147	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Lily Lane	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.964865	151.112149	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Morgan Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Beverly Hills	Hurstville	-33.947687	151.087681	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Morris Avenue	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kingsgrove	Hurstville	-33.9463	151.101	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Nielsen Avenue	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Carlton	Hurstville	-33.969893	151.127502	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Rossi Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	South Hurstville	Blakehurst	-33.976723	151.10648	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Terry Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Blakehurst	Blakehurst	-33.984575	151.103253	Feb-25	Procurement	TBA	Project Engineering	
Roads & Carparks	Road Rehabilitation Program - Cronulla Lane	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Carlton	Hurstville	-33.966895	151.115315	Feb-25	Procurement	TBA	Project Engineering	

Roads & Carparks	Road Rehabilitation Program - Railway Parade	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Allawah	Hurstville	-33.97	151.1147	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Railway Parade North	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kogarah	Kogarah Bay	-33.9617	151.1334	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Woniora Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Kogarah Bay	-33.9701	151.1031	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Railway Parade	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kogarah	Kogarah Bay	-33.967662	151.127884	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Jubilee Avenue	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Carlton	Kogarah Bay	-33.9727	151.1286	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Lugarno Parade	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Lugarno	Peakhurst	-33.989572	151.040261	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Elm Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Lugarno	Peakhurst	-33.9878	151.0425	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Letitia Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Oatley	Peakhurst	-33.982	151.0818	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Belmore Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Riverwood	Peakhurst	-33.9524	151.052	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Bonds Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Riverwood	Peakhurst	-33.9537	151.0591	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Whitegates Avenue	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Peakhurst Heights	Peakhurst	-33.9714	151.0563	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Boundary Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Peakhurst	Peakhurst	-33.962847	151.067268	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Belmore Lane	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Riverwood	Peakhurst	-33.949329	151.053124	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Belmore Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Peakhurst	Peakhurst	-33.961968	151.050315	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Depot Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Mortdale	Mortdale	-33.969251	151.063343	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Road Rehabilitation Program - Depot Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Mortdale	Mortdale	-33.9687	151.0632	Feb-25	Procurement	TBA	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Lyla Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Carlton	Mortdale	-33.9498	151.0666	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Ashby Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Narwee	Hurstville	-33.9465	151.0925	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Scott Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kingsgrove	Mortdale	-33.9615	151.0736	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Princes Lane	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Oatley	Kogarah Bay	-33.97	151.1339	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Bassett Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.9565	151.0882	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Thomas Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Hurstville	Hurstville	-33.9538	151.0878	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Anderson Road	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kogarah	Mortdale	-33.967	151.0649	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
Roads & Carparks	Kerb and Gutter Rehabilitation Program - Mercury Street	Renewal of existing road surface sections and/or associated infrastructure to improve safety and end of life assets.	Kingsgrove	Mortdale	-33.9539	151.0751	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering
