

Map Category	Project Title	Description	Suburb	Ward	Lat	Long	Proposed Completion Date	Status	Hours of Work	Team	Further Information Link
Traffic & Transport	Transport Facilities Program - Isaac Street Raised Pedestrian Crossing	Construction of raised pedestrian crossing to improve pedestrian safety.	Peakhurst	Peakhurst	-33.967863	151.055972	Feb-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Transport Facilities Program - Palmerston Street Raised Pedestrian Crossing	Construction of raised pedestrian crossing to improve pedestrian safety.	Kogarah	Kogarah Bay	-33.959638	151.135044	Feb-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Transport Facilities Program - Oatley Avenue Raised Pedestrian Crossing	Construction of raised pedestrian crossing to improve pedestrian safety.	Oatley	Peakhurst	-33.98386054	151.0796999	Feb-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Transport Facilities Program - Croydon Road Refuge Island	Construction of refuge island to improve pedestrian safety.	Hurstville	Hurstville	-33.9561711	151.107608	Feb-25	Removed from Program	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Transport Facilities Program - Stuart Street/ Joseph Street	Upgrade of roundabout infrastructure to improve traffic movement and safety.	Blakehurst	Blakehurst	-33.98973663	151.1080503	Feb-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Transport Facilities Program - Rose Street Raised Pedestrian Crossing	Investigation and design of pedestrian safety infrastructure for possible future construction.	Hurstville	Hurstville	-33.967361	151.105361	Feb-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Queens Road before Romani Avenue	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.959705	151.108999	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - King Georges Road near Gallipoli Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville Grove	Blakehurst	-33.973431	151.101056	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Regent Street near Princes Highway	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.96117	151.137414	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Princes Highway at Stanley Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.960116	151.137917	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Railway Parade at Derby Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.964961	151.13204	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Kogarah School of Arts, Bowns Road	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.968406	151.13097	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Moore Street near Hodge Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.95704	151.099596	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Patrick Street near Ruby Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.958378	151.097925	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Allawah Station	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Allawah	Kogarah Bay	-33.969998	151.114842	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Mercury Street at Edgbaston Road	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Beverly Hills	Mortdale	-33.95375	151.07495	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Hurstville Station, Forest Road, Stand C	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.966252	151.101696	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Smiths near Stoney Creek	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Beverly Hills	Mortdale	-33.950389	151.098754	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Belmore Road after Park Road	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Peakhurst	Peakhurst	-33.962617	151.050264	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Lugarno Parade opposite Lugarno Public School	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Lugarno	Peakhurst	-33.98566	151.045133	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - St George Girls High School, Palmerston Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.959402	151.134917	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Railway Parade near Derby Street	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.964958	151.132054	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Railway Parade and Butlers Lane	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.96843	151.10261	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Bridge Street at Forest Road	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.964258	151.095045	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Lily Street near Roberts Lane	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Hurstville	Hurstville	-33.969435	151.115505	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Regent Street opposite Kogarah High School	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.961717	151.134764	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Gray Avenue at Gray Lane	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.970318	151.135643	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Gray Street at Queens Avenue	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.967349	151.132407	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Bus Stop Compliance Program - Gray Street opposite St George Hospital	Improvements to existing bus stops to meet accessibility Standards following an audit of all Council management bus stops.	Kogarah	Kogarah Bay	-33.968215	151.133241	Apr-25	Scheduled	7:00am - 6:00pm	Project Engineering	
Traffic & Transport	Transport General Infrastructure Project - Riverwood High Pedestrian Activity Area (HPAA) Construction	Design and implementation of traffic and pedestrian safety infrastructure within the Riverwood Town Centre to improve vehicle and pedestrian safety.	Riverwood	Peakhurst	-33.95294248	151.0518456	Mar-25	Consultation	7:00am - 6:00pm	Project Engineering	Community Consultation <a href="https://yoursay.georgesriver.nsw.gov.au/riverwood-high-pedestrian-activity-area-hpaa-proposed-road-works">https://yoursay.georgesriver.nsw.gov.au/riverwood-high-pedestrian-activity-area-hpaa-proposed-road-works</a>
